If we are on schedule, and both coaches agree, you may play set 3 if it is needed or not. Otherwise, only play set 3 if there was a split in sets 1 & 2. The site director will help with this, but if the matches 5 & 6 are starting at 12:00p and 1:00p respectively, you are on schedule and can continue playing set 3 even if not needed.
2. Warm up time between all matches is ten minutes – two minutes shared, then four minutes for each team and should begin immediately after the last match. The team officiating the previous match is responsible for starting the clock immediately after the last point. The first two minutes is shared; both teams warm-up on their side of the court. If the coin toss has been completed when eight minutes remain, the team serving first will be given the first four minutes. Otherwise, the team listed first on the schedule will be given the first four minutes on the court and the team listed second on the schedule will be given the last four minutes on the court. **TEAMS SHOULD BOTH HIT AND SERVE DURING THEIR FOUR MINUTES ON THE COURT. Remember that there should be no ball handling done behind the court while the other team has the court.**
3. Time between sets is 3 minutes. Timeouts are 30 seconds.
